# PREMIUM BACKLIT FILM

**SBL7** is an award-winning backlit film that adds visual appeal and dimension to ordinary advertising. It's universal coating ensures vivid color and dense blacks to produce stunning signage that shines day and night.

Magic **SBL7** starts with a premium polyester base and features the Award-winning Magic® "Universal" coating with a low glare matte finish. It is perfectly designed for backlit displays, menu signs, general signage, retail advertising, tradeshow graphics, and more! **SBL7's** premium backlit will be sure to attract an audience!

## How can you print SBL7?

Believe it or not, **SBL7** can be printed with virtually any print technology. It is best printed with dye printers, pigment, latex, eco-solvent, and solvent printers.
