769S8 MIL PHOTO PAPER SATIN

SIHL MARANELLO 3620

DESCRIPTION

769S is an instant dry, satin photo paper. The 8 mil thickness is designed to maximize printing and post production work. The neutral white microporous coating means your prints will be instantly dry and water resistant with wide color gamut and accurate skin tones.

769S is optimized for today's wide gamut pigment ink photo quality printers such as Canon, Epson and HP
