# DURABLE BANNERS

**PPM7** stands out in a category known for low cost print solutions. It's durability and outstanding print performance make it the best all-around polypropylene film available. The matte finish minimizes glare from external lighting & provides a clear view of the graphic from multiple viewing angles.

**PPM7** includes a premium PP base film with Award-winning Magic® "Universal" coating that boasts excellent color gamut and black density. With a low glare matte finish, it lays flat with bright white colors and no cracking edge when folded.

## How can you print PPM7?

Believe it or not, **PPM7** can be printed with virtually any print technology. **PPM7** is best printed with dye printers, pigment, latex, eco-solvent, solvent, UV, and pagewide printers.
